

Overview

The Society for Technical Communication - Philadelphia Metro Chapter (STC-PMC) offers a \$500 scholarship for the 2010-2011 academic year. This scholarship is awarded in spring of 2010 for the following academic year.

This scholarship program assists students who are obtaining an undergraduate degree and intend to pursue a career in technical writing, editing, graphic design, interface design, web design, and other jobs in the field of technical communications. The Scholarship Committee evaluates applicants' academic records and potential for contributing to the technical communication profession.

Judging will take place in March; the winner will be notified by phone or mail. Checks will be disbursed and the scholarship recipients will be formally recognized at an STC-PMC chapter conference in March of 2010. In addition to the \$500, scholarship winners will also be awarded a student level STC membership.

Application Information

Eligible students for the scholarship are:

- Attending a college full-time the Philadelphia area (Bucks, Chester, Delaware, Montgomery, Philadelphia, Burlington, Camden, Gloucester, Mercer, or New Castle Counties)
